

# **50 Floor Warranty Information**

## **Gold Star One-Year Installation Warranty**

50 Floor guarantees the quality of workmanship to be professional and in keeping with standards set by the flooring industry. Should further installation service attributable to the original installation of your flooring be required, 50 Floor will return and provide that service at no cost to you for the first year of your floor.

This warranty is valid only for original owner-occupied residential installations performed by a 50 Floor authorized independent contractor and will be invalid if the flooring condition is due to improper maintenance or cleaning, abuse, excessive moisture, vandalism or alteration.

Please note that in most installations, seams are necessary. Our installers are trained to minimize seams; however, seams are inevitable and may be visible. This is normal and should be expected and is not covered by 50 Floor's warranty.
